## WARRANTY INFORMATION

---

*As America's Durable Door Opener, Power Access provides quality door openers that are built to last for decades. This warranty is a testament to our commitment and confidence as to the dependability of our products and the value they bring to our customers.*

---

**Power Access Openers and Controls are Covered by a 1-Year Limited Warranty on Materials and Workmanship:**

- Warranty replacement parts will be invoiced, charged, and shipped freight prepaid by Power Access.
- A UPS call tag will also be provided for return shipment. The defective part must be returned in order to receive full credit for an approved transaction.
- A RA number must be issued by Power Access prior to returning the item and must be included with the return shipment.\*

**Power Access provides a 10-Year Major Component Limited Warranty for the Model 2300 Motor and Slip Friction Clutch Arm, and the Model 4300 Motor and Actuator Assembly:**

- This ten-year major component limited warranty is contingent on the proper installation of the Model 2300 and Model 4300 door openers according to their respective installation guidelines, provided by Power Access.
- As above, a RA number must be issued by Power Access prior to returning the item and must be included with the return shipment.\*

**Compare the Power Access 10-year major component warranty to any product on the market. Virtually no other manufacturer asserts this level of commitment to its quality and dependability.**

*\*Issuance of a RA number does not constitute warranty acceptance. Inspection of the item and verification of installation and shipment data will be reviewed to make proper warranty determination, at the sole discretion of Power Access.*
